Aga Konopka

Reżyserka ruchu i edukatorka tańca, jest absolwentką wydziału teatru tańca Akademii Sztuk Teatralnych w Bytomiu i obecnie zdobywa certyfikat trenera języka ruchu metodą Laban/Bartenieff Movement System (LBMS). Specjalizuje się w budowaniu ruchowej charakterystyki postaci, choreografii, kompozycji oraz dramaturgii tańca, łącząc swoje doświadczenie aktorskie z głębokim zrozumieniem technik tańca współczesnego i streetdance'u.

Jej autorskie metody pracy, pozwalają na skuteczne przekształcanie wizji reżysera na ruch sceniczny. Aga jest także współtwórczynią programu dla animatorów i aktorów technologii motion capture, opracowanego razem z kaskaderem Tomaszem Koszańskim. Program ten skupia się na efektywnej komunikacji, budowaniu choreografii walki oraz na sprawnym przekładaniu założeń animatorów na język ruchu zrozumiały dla aktora.

Aga jest również aktywna w tworzeniu ruchu scenicznego w teatrze, filmie, reklamie oraz na eventach takich jak trasy koncertowe, pokazy mody. Jej doświadczenie w kreowaniu spójnych narracji wzbogaca projekty o unikalne elementy choreografii.
